

In re Appln. of HAGENBUCH
Serial No. 08/475,806

weighing device for determining a weight of the material collected from the container. The weight of the material is included in the historical record.--

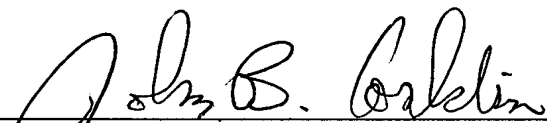

REMARKS

Applicant requests entry of this amendment in order to replace the original abstract with a substitute abstract that better reflects the claimed subject matter. The original abstract is from the parent application and reflects the subject matter of the claims in the parent. No new matter has been added by this substitute abstract. This amendment is being filed with the payment of the issue fee and, therefore, is submitted pursuant to Rule 312(a).

In view of the above remarks, this amendment is considered in good and proper form for entry into the record pursuant to 37 C.F.R. § 1.312(a). The Examiner is respectfully requested to favorably consider this amendment and enter it into the record.

If, in the opinion of the Examiner, a telephone conference would expedite the prosecution of the subject application, the Examiner is invited to call the undersigned attorney.

Respectfully submitted,

John B. Conklin, Registration No. 30,369
